It doesn't take long on English soil to realise England is a breeze to get around and a blast to explore. Coffee-table countryside, old-fashioned seaside towns, pulsing cities or galleries packed with the latest buzz-works - your fancies are never far from each other in this compact country.

This revamped edition has more maps than the competition and more colour photos focusing on the main sights and attractions.

This guidebook has been fully updated!

- * Intuitive layout and new text styles make it easier to read, scan and find information at a glance

- * New visual design and structure improves navigation without sacrificing depth or quality

- * Expanded planning section helps travellers plan by time, season, interest or region

* New map design improves map legibilty for easy navigation
