Sofia comes from a family of storytellers. Here are her tales of growing up in the barrio, full of the magic and mystery of family traditions: making Easter "cascarones," celebrating "el Dia de los Muertos," preparing for "quincea-era," rejoicing in the Christmas "nacimiento," and curing homesickness by eating the tequila worm. When Sofia is singled out to receive a scholarship to an elite boarding school, she longs to explore life beyond the barrio, even though it means leaving her family to navigate a strange world of rich, privileged kids. It's a different "mundo," but one where Sofia's traditions take on new meaning and illuminate her path.
