Included are original reviews of Nick's albums as they appeared at the time of release, the solitary interview with Nick that appeared in Sounds magazine, and interviews with many who knew him, including producer Joe Boyd, Nick's sister Gabrielle and parents Rodney and Molly Drake, musical collaborator Robert Kirby and many more. In addition The Pink Moon Files features musical analysis of Nick's recordings, including discussion of his guitar techniques and alternative tunings, reviews of tribute concerts and articles about Nick's legacy in Tanworth-in-Arden and elsewhere. A superb compendium of writing about Nick, this book is a valuable addition to any bookshelf and a must for fans old and new.

评论

For a creative artist, to preserve that inner sensitivity , you need to have a very tough outer skin that is going to take terrible knocks from the publi and, perhaps worse, indifference. And Nick just didn't have it... Apart from his music that maybe pretty much the reason that I love him so much.
