

The Sign of Three

[The Sign of Three_下载链接1](#)

著者:Umberto Eco

出版者:Indiana University Press

出版时间:1988-9-22

装帧:Paperback

isbn:9780253204875

The book is as intellectually exciting as it is instructive, and I recommend it highly to all readers who care seriously about how we come to know the things we think we know.
