出版时间:1997-6-11

装帧:Paperback

isbn:9780802804532

This excellent commentary by Herman Ridderbos engages seriously the host of twentieth-century interpretations of John while also developing its own integral understanding of John in which the Gospel emerges as a profoundly theological work. Ridderbos presents John in its distinctively apostolic character and includes important criteria for the literary and homiletical exegesis of the Fourth Gospel.
