Mike Deodato made a big splash in the mid-'90s with a style combining a solid grasp of anatomy; layouts bristling with dynamic energy; and brash, trendsetting qualities that set him apart as a visionary that Marvel could build around for the rest of the decade and beyond. With his startling work on Warren Ellis' Thor setting the pace, Deodato's later triumphs on Incredible Hulk, Amazing Spider-Man and Thunderbolts set the stage for his jaw-dropping visuals on Dark Avengers. The Marvel Art of Mike Deodato celebrates the vibrant and vital career of one of comics' elite artists with a bounty of interior art, character sketches and unpublished work, as well as selection of Mike's best cover art.
