Chloe King is a seemingly normal girl. She goes to class (most of the time), fights with her mom, and crushes on a boy...or two. But around her sixteenth birthday, Chloe finds that perhaps she isn't so normal after all. There's the heightened night vision, the superfast reflexes--oh, and the claws. As Chloe discovers who she is--and where she comes from--it is clear she is not alone. Someone is trying to get her. And they will stop at nothing until they do. Chloe has nine lives...but will nine be enough? First released as a trilogy in 2004, this bind-up edition arrives just as the new ABC Family original series *The Nine Lives of Chloe King*, based closely on the original novels, premieres in June 2011.
