So sweet, so cute, so funny, so heartwarming, so romantic. Oh, the joy of being in love.

没分手就是cheating啊，前半部分简直就是totally一个渣男啊

BORING. Anna is a whiny hypocrite and St. Clair is the worst kind of jerk. The book is written in present tense which is weird, especially for such a generic storyline.

矫情, ugh. I'd make a list of the things that i hate about the heroine (or the hero, for that matter) but that'll be a waste of my time. Only finished reading this book because I was stuck in an aisle seat on a 5 hour trip.

看这种青少年恋爱故事的我也是醉了。
