Describing the silliness and 'feminine fatuity' of many popular books by lady novelists, George Eliot perfectly skewers the formulaic yet bestselling works that dominated her time, with their lovably flawed heroines. She also examines the great women writers of France and their enrichment of the culture, and the varying qualities of literary translations. Great Ideas. Throughout history, some books have changed the world. They have transformed the way we see ourselves - and each other. They have inspired debate, dissent, war and revolution. They have enlightened, outraged, provoked and comforted. They have enriched lives - and destroyed them. Now Penguin brings you the works of the great thinkers, pioneers, radicals and visionaries whose ideas shook civilization and helped make us who we are.

评论

她去世得早，应该就留下了那篇小说，里面的男女主我爱不起来。可是我至今最爱的故事，也许因为它最不矫情，却灵气十足。
