The inspector ordered that the bird be searched. One of the agents stalled saying it made him feel sick, and after some fierce pecking another withdrew sucking a bleeding

finger'. In these two stories from an inventive, comic master of the form, old friends and friendly rivals Pietro and Tommaso discover a treasure lost by the side of the road, and become suspected of a using a blameless chicken for devious ends. Italo Calvino's writing explores the fringes of these small, unusual scenes and finds incalculable wisdom and humour there. This book contains "The Queen's Necklace" and "The Workshop Hen".
