出版时间:2011-3-1

装帧:Hardcover

isbn:9781405362917

The beauty and drama of the bird world brought to breathtaking life in a new edition. From hummingbirds weighing less than a coin to monkey-eating eagles, this is a unique celebration of birds, photographed and studied in their natural environments around the world. Explore the complete bird story: from their origins to up-to-date information on flight, anatomy, feeding, communication, breeding, habitat, migrations

and life cycles. Spectacular features on the most impressive birds, plus a huge catalogue that profiles nearly fifteen hundred different species makes this a must-have for every bird enthusiast. This title is published with Birdlife International, the world's leading avian authority.
