著者:Olivia Harrison

出版者:Abrams

出版时间:2011-9-15

装帧:Hardcover

isbn:9781419702204

Drawing on George Harrison's personal archive of photographs, letters, diaries, and memorabilia, Olivia Harrison reveals the arc of his life, from his guitar-obsessed boyhood in Liverpool, to the astonishment of the Beatles years, to his days as an independent musician and bohemian squire. Here too is the record of Harrison's lifelong commitment to Indian music, and his adventures as a movie producer, Traveling Wilbury, and Formula One racing fan. The book is filled with stories and reminiscences from Harrison's friends, including Eric Clapton, Terry Gilliam, Eric Idle, Paul McCartney, Ringo Starr, and many, many others. Among its previously unpublished riches are photographs taken by Harrison himself beginning in the

mid-1960s. It is a rich tribute to a man who died far too young, but who touched the lives of millions.

作者介绍:

Olivia Harrison is a producer and philanthropist. She has received a Grammy Award for her video of the 2002 Concert for George, which she organized to benefit the Material World Charitable Foundation in memory of her husband, George Harrison; and a UNICEF Spirit of Compassion Award in recognition of her family's assistance to the children of Bangladesh. Mark Holborn is a distinguished editor of illustrated books, who has worked with numerous photographers and artists, from Annie Leibovitz to Lucian Freud.
