The Castle of the Mist calls for a sacrifice: a horned child, born once a generation. When, on a single night in his thirteenth year, Ico's horns grew long and curved, he knew his time had come. But why does the Castle of the Mist demand this offering, and can the castle keep Ico's destiny from intertwining with that of the girl imprisoned within its walls?

评论

While the creative liberties taken on fleshing out the initially minimalistic world of Ico were both bold and highly entertaining, the dialogue and stylistic approach often felt

so cliched-RPG-esque-corny it became painful to read. If I weren't such a Miyabe fanboy I would've handed this book a poor rating in the bat of an eye.

神作！

我最喜欢的游戏之一。

像游戏那样清冷的话，小说恐怕就没法写了。所以这里的Ico和Yorda都不是无源之水。感觉作者的写作有点像根据远古遗物推测事件的发展，一定是虚构的成分居多。然而人只是想要一个合理的解释吧。科学研究也是不断优化合理解释的过程。仰望的状态挺好玩的，就像现在的我。

电子游戏艺术化的代表作

4/100
小说里的剧情补充还是非常详细，非常动人的，虽然这个游戏小说化必然会有牵强附会的地方 但是这并不是一本简单的小说 加上读的英文版翻译也就算中上，自然不如日语原版好，不过我想如果有时间，我就把它慢慢翻译了吧，2013年寒假最主要看的书。过几天写个短评以免忘记吧——游戏本身的异常简洁和小说的异常丰满是完全两种风格，但是却也相映成趣。我永远也忘不了我拿起手柄，在电视屏幕中握住她的手时，那跨越屏幕的触感让我热泪盈眶。For Yorda and ICO, for myself.
