装帧:Paperback

isbn:9780198149422

This is the first comprehensive commentary on the Athenaion Politeia since that of J.E. Sandys in 1912. The Introduction discusses the history of the text; the contents, purpose, and sources of the work; its language and style; its date, and the evidence for revision after the completion of the original version; and the place of the work in the Aristotelian school. The Commentary concentrates on the historical and institutional facts which the work sets out to give, their sources, and their relation to other accounts. Textual and linguistic questions are also addressed.
