Jack's Granny is sick with a bad case of the moozles! And the only cure is the fruit of the fantastic flumflum tree which grows on the faraway Isle of Blowyernose. It's a perilous journey, but Jack bravely sets sail, with a motley crew of only three and a large patchwork sack that Granny has filled with an odd assortment of items from chewing-gum to tent pegs. But what use will they be against hungry sharks, a leaky boat and a thieving monkey ...? Follow Jack across the ocean in this irresistible story from the creators of *TYRANNOSAURUS DRIP* and *THE TROLL*.
