With the rate of change in organizations at an all-time high, the need for strong organization design has never been more pressing. Organization Design provides a complete road map for the implementation of organization design, covering all areas

including downsizing, outsourcing and re-structuring. Full of hints and tips, as well as a practical toolkit to take organization designers from start to finish, Organization Design outlines the basic theory, provides a step-by-step approach to implementing organization design, and provides solutions to the recurring challenges to be met along the way. OD is about delivering results. By following this tried and tested approach, readers will gain the confidence and skills to put great organization design into practice to ensure business success.
