You won't have to worry about going broke if you get sick. We will start to bring the

costs of health care under control. And we will do all this while reducing the federal deficit. That is the promise of the Affordable Care Act. But from the moment President Obama signed the bill into law in 2010, a steady and mounting avalanche of misinformation about the ACA has left a growing majority of Americans confused about what it is, why it's necessary, and how it works. If you're one of them, buy this book. From how to tame the twin threats of rising costs and the increasing number of uninsured to why an insurance mandate is good for your health, "Health Care Reform" dispels false fears by arming you with facts.

好读，好玩。

为了让美国群众明白一个政改这帮经济学家也是煞费苦心啊……然并卵，trump一上台，通通推翻！【好想知道现在aca怎么样了……
