

A Smell Of Fish

[A Smell Of Fish_ 下载链接1](#)

著者:Matthew Sweeney

出版者:Jonathan Cape

出版时间:2000-3-2

装帧:Paperback

isbn:9780224060677

The poems in A Smell of Fish connect and radiate like the spokes of a wheel: haiku, sestinas, poems beginning with a line by somebody else or sparked by foreign travel, a version of Dante, a sea sequence set on the Suffolk coast, and - long overdue - Matthew Sweeney's own version of the old Irish poem where his namesake is turned into a bird.
