出版时间:2011-6-10

装帧:Paperback

isbn:9780520267619

Immanuel Wallerstein's highly influential, multi-volume opus, "The Modern World-System", is one of this century's greatest works of social science. An innovative, panoramic reinterpretation of global history, it traces the emergence and development of the modern world from the sixteenth to the twentieth century. This new volume encompasses the nineteenth century from the revolutionary era of 1789 to the First World War. In this crucial period, three great ideologies - conservatism, liberalism, and radicalism - emerged in response to the worldwide cultural transformation that came about when the French Revolution legitimized the sovereignty of the people. Wallerstein tells how capitalists, and Great Britain, brought relative order to the world and how liberalism triumphed as the dominant ideology.

评论

意外地通过这本书学习了自由主义、保守主义和社会主义的内涵和历史，跟之前『直觉』的理解很不一样，和当下的政治图谱也不一样，但感觉这书里讲的靠谱多了

进入意识形态研究领域感觉沃勒斯坦就有点力不从心了

书评

In the fourth volume of The Modern World-System, Wallterstein characterized the third “long century” in capitalist world system as one that witnessed the rise of “centrist liberalism”. According to Wallerstein, three major ideologies emerged after the F...
