英国文学

评论

五巨册三四千页各种人物关系差点没把我读背气过去

-----  
够宏大 人物也饱满 就是后面有些拖沓 支线写的太多  
不知道是为了多卖几本还是作者野心太大 总体来说还不错

-----  
终于看完了。。。继续等6

-----  
勤勤恳恳地看了一个半月啊终于看完了

-----  
和老板讨价还价之时，偶遇英国学生，小哥乃是Martin超级书迷，自告奋勇帮忙讲价，所以最后只花了120RMB，哇哈哈哈哈赚翻了必须得瑟一下！这书拿起来就放不下了，上学期间不得不把书放到书柜顶端以戒书瘾！

-----  
前段时间终于看完了朋友送的书，毕业后很少再看原版书了，有些生疏。应该是大部头里面读的比较快的，因为整个故事确实很吸引人，所以十分期待第六本早点面世啊。

-----  
You've thought them about a kind of fantasy, they'r actually our own world, in which is full of desire, conflict, conspiracy, perdition ect. And we, to the end, have to fight our way to find the redemption. It might be ridiculous to all appearances, but this is really how we live, from looting to self-destruction and then praying for salvation.

-----  
已入手~~~~

-----  
还用说吗，这是神作。

-----  
you know nothing.....

-----  
Cold and cruel. Welcome to the real world.

-----
