Life Without Limits is an inspiring book by an extraordinary man - Nick Vujicic, who was born without arms or legs but overcame his disability to live not only independently, but to live a rich, fulfilling life that is a model for anyone seeking true happiness. Now an internationally successful motivational speaker, his key message is letting people know the importance of finding your life's purpose - even through pain.

In his youth, Nick himself despaired about ever having a "normal" life, even to the point that he attempted suicide. But with wisdom uncharacteristic of one so young, he realized that he could affect how his life proceeded. Now 27 years old, he is an internationally successful motivational speaker, helping people find the strength to overcome their difficulties however large or small.

"Often people ask how I manage to be happy despite having no arms and no legs. The quick answer is that I have a choice. I can be angry about not having limbs, or I can be thankful that I have a purpose. I chose gratitude. You can too."

Nick offers profound inspiration in Life Without Limits for getting back up every time you are knocked down. "Follow your heart just as I followed mine in pursuing my dream of inspiring and reaching out to people all over the world. If I can chase my dream traveling thousands and thousands of miles each year, you should have no doubt that your dreams are within reach too."

This book is to those who are lingering in the edge of despair and struggling in their own issues and problems. Honestly, it inspires me a lot and fills me with strength to cope with all the difficulties and frustrations. A Millions thanks to motivational Nick and his tremendous book!

相信，创造可能

就这个人来说，他来讲这个话，的确是最有税负力的，不过整本书太个人了一点。
