Featuring some of the most important contemporary tattoo artists who are making cutting-edge graphics, typography, and customized artistic masterpieces. *Tatt Book: Visionaries of Tattoo* is a unique collection of the designs of the most creative contemporary tattoo artists from around the world. These contemporary tattooists are, first and foremost, artists creating tattoo designs inked on the human body as well as works for galleries and personal collections. Curated by the renowned artist JK5 and including work from over twenty distinguished artists, such as Stephanie Tamez, Mike Giant, and Scott Harrison, *Tatt Book* explores the intricate customized body art and also the artwork these “inking” geniuses do outside the tattoo studio. This will be an indispensable reference catalogue for type forms, illustration, fine art, and design in a time where tattoos are a mark of personal creativity and individuality.
