著者:Rafiq Elmansy

出版者:O'Reilly Media

出版时间:2011-8-18

装帧:Paperback

isbn:9781449306748

Quick Guide to Flash Catalyst covers how to build interactive websites and interfaces easily in Flash Catalyst using designs imported in Photoshop and Illustrator formats. Also, the book will cover how to covert static artwork to interactive components, add

actions to it, and publish it as SWF and AIR applications.
