isbn:9781600619700

Celebrating one of North Light's most popular title's 15th anniversary, this revised edition has been expanded to 160 pages and features more diversity of age and

ethnicity. Readers find brand-new step-by-step demos and detailed instruction on drawing all the elements of portraiture using reference photos and the time-tested grid method to create stunningly lifelike renderings of family and friends.
