Based on the true story of Alma Rattenbury, who, in 1935, went on trial with her eighteen-year-old lover for the murder of her husband. Terence Rattigan pits Alma against a formidable lady juror, whose own life offers a plangent counterpoint to the central tale of love, betrayal, guilt, and obsession.

alma应该是以rattigan妈妈为原型的角色，让我不断想起karl lagerfeld说他妈，轻浮又爱说谎，可能她内心也会挣扎，但是她总是能让人为她得到她想要的。
