Large enough to read. Compact enough to carry. This compact NIV Bible makes the comfort of giant print especially portable. The NIV Giant Print Compact Bible combines

ease of reading with a handy compact size, convenient enough to carry anywhere. The single-column text and easy-on-the-eyes typeface is perfect for more comfortable Bible reading, bringing the Word of God into focus. Plus, it includes two reading plans to help you get started. Testimonials: `It`s such a great feeling knowing I can carry my Bible with me and can read the text easily. This is the smallest large-print Bible I have ever seen, and it has become my daily-use Bible for that reason!` The giant print is awesome! I have 53-year-old eyes and can actually read this Bible without my glasses. The nice compact size makes it great to take along.`
