Now a major motion picture starring Judi Dench, Maggie Smith, Tom Wilkinson, Billy Nighy, and Dev Patel

When Ravi Kapoor, an overworked London doctor, reaches the breaking point with his difficult father-in-law, he asks his wife: “Can’ t we just send him away somewhere? Somewhere far, far away.” His prayer is seemingly answered when Ravi’ s entrepreneurial cousin sets up a retirement home in India, hoping to re-create in

Bangalore an elegant lost corner of England. Several retirees are enticed by the promise of indulgent living at a bargain price, but upon arriving, they are dismayed to find that restoration of the once sophisticated hotel has stalled, and that such amenities as water and electricity are . . . infrequent. But what their new life lacks in luxury, they come to find, it's plentiful in adventure, stunning beauty, and unexpected love.
