'Move by Move' is a brand new series which provides an ideal platform to study chess

openings. By continually challenging the reader to answer probing questions throughout the book, 'Move by Move' greatly encourages the learning and practising of vital skills just as much as the traditional assimilation of opening knowledge. Carefully selected questions and answers are designed to keep you actively involved, and allow you to monitor your progress as you learn. This is an excellent way to study any chess opening and at the same time improve your general opening skills and knowledge. In this book, Grandmaster Neil McDonald studies one of the most important openings of all, the Ruy Lopez, which is still regarded as White's strongest choice after 1 e4 e5. Also known as the Spanish Opening, the Ruy Lopez has a long and distinguished history. It's sufficient to say that it has been played by virtually every single great player! McDonald shares his experience and knowledge, examines the opening from both sides of the board, and offers answers to all the key questions. *Essential guidance and training in the Ruy Lopez *Written by an opening expert and renowned coach *Key ideas absorbed by continued practice
