Jeanne Wakatsuki was seven years old in 1942 when her family was uprooted from their home and sent to live at Manzanar internment camp--with 10,000 other Japanese Americans. Along with searchlight towers and armed guards, Manzanar ludicrously featured cheerleaders, Boy Scouts, sock hops, baton twirling lessons and a dance band called the Jive Bombers who would play any popular song except the nation's #1 hit: "Don't Fence Me In."

Farewell to Manzanar is the true story of one spirited Japanese-American family's attempt to survive the indignities of forced detention . . . and of a native-born American child who discovered what it was like to grow up behind barbed wire in the United States.

From the Paperback edition.

# 评论

Stuck in the middle of cultures with nowhere to proceed and nowhere to turn back to, affected by a background so central to one's identity but hard to come to term with.

-----  
目前读起来的感觉比Tracks要好很多，Tracks情节比较晦涩，带一些超现实主义的色彩，而这本就比较贴近生活了
