The fate of Rodimus and the Matrix of Leadership is finally revealed in this newest story arc of Transformers, "Chaos Theory." The situation on Earth continues to deteriorate while we shift focus to outer space where Rodimus was last seen dead! But, after crash landing on a strange planet, Rodimus struggles to find a way back to Earth and the Autobot forces... until a few familiar faces show up to help and a new threat to Cybertron is revealed!

书评

那我就单纯的从“感官体验”上说一下变5，即便是在这个指标上，它也绝对是系列最差。
为什么我说的是“感官体验”而非“视觉效果”，因为实际上一部爆米花大片，观众看

的爽不爽的关键并不是特效是否精良，爆炸是否够多，场面是否够大。它的关键，恰恰就是许多粉丝口中不屑一顾...
