出版时间:2012-5

装帧:

isbn:9781770410923

With more than 600 previously unpublished photographs, this book tells the story of Celine Dion, while revealing photographer Laurent Cayla's struggles with depression and dependency on alcohol and drugs. From tender family moments and glimpses of Celine with other celebrities and stars to private backstage views and captivating scenes on the stage, Celine fans will relish this glimpse both inside and outside the

spotlight. A foreword from Celine Dion and her husband and manager Rene Angelil is also included.
