The highly acclaimed SPA-DE: Space & Design series focuses on the interior design of

commercial spaces from around the world. This volume pays particular attention to spatial design, drawing on the best designs, by the most accomplished architects and designers from around the world, including London, Beijing, San Diego, Dubai, New York, San Francisco, Paris and Barcelona. Projects featured include shops, boutiques, banks, hotels, shopping malls, exhibition spaces, spas, restaurants, bars and clubs.
