Up-close, personal, and yes, funny -- this is the must-have celebrity memoir of the year.

This candid, first-person memoir chronicles Russell's life from his humble beginnings in suburbia as a scrawny, brown, bullied kid with ADD all the way to his remarkable rise as one of the world's top-earning comics. This is a shockingly honest book filled with poignant memories of his family, his life and his career. *Call Me Russell* is a deeply inspirational story for aspiring artists of any culture about having hope, working hard and dreaming big. "From the Hardcover edition."

评论

The book is a quick read. Funniest guy ever. Most impressive takeaway: anything gets better with practice. Do what you love, again and again. And fuck the rest.

爱屋及乌，讲了russell的生平，其实挺无聊的，他一直再说他爸爸。。
