One hundred and fifty years from now, in a world where Africa is the dominant technological and economic power, and where crime, war, disease and poverty have been banished to history, Geoffrey Akinya wants only one thing: to be left in peace, so that he can continue his studies into the elephants of the Amboseli basin. But Geoffrey's family, the vast Akinya business empire, has other plans. After the death of Eunice, Geoffrey's grandmother, erstwhile space explorer and entrepreneur, something awkward has come to light on the Moon, and Geoffrey is tasked - well, blackmailed, really - to go up there and make sure the family's name stays suitably unblemished. But little does Geoffrey realise - or anyone else in the family, for that matter - what he's about to unravel. Eunice's ashes have already have been scattered in sight of Kilimanjaro. But the secrets she died with are about to come back out into the open, and they could change everything. Or shatter this near-utopia into shards ...

评论

作者少有的情节光明充满希望的作品，可能是因为现在的现实比较黑暗需要调剂一下吧。技术和创意上一般吧，有些亮点但和以前作品比还是差了一些，主要人物没有太吸引人的，情节上有小高潮令人激动一把，但很快就过去了，希望续集能更好一些。
