装帧:Paperback

isbn:9780547592091

This is an exciting collection of poems by Wislaw Szymborska. When "Here" was

published in Poland, reviewers marvelled, "How is it that she keeps getting better?" These twenty-seven poems, as rendered by prize-winning translators Clare Cavanagh and Stanislaw Baranczak, are among her greatest ever. Whether writing about her teenage self, microscopic creatures, or the upsides to living on Earth, she remains a virtuoso of form, line, and thought. From the title poem: I can't speak for elsewhere, but here on Earth we've got a fair supply of everything. Here we manufacture chairs and sorrows, scissors, tenderness, transistors, violins, teacups, dams, and quips...Like nowhere else, or almost nowhere, you're given your own torso here, equipped with the accessories required for adding your own children to the rest. Not to mention arms, legs, and astonished head.

@Mee-z 又出了本老辛的书，等中译本。

-----  
NONREADING,SPACE,DIVORCE

-----  
无法形容的美。

-----  
Maybe Nature has to shortchange us, and to keep up, meet demand, she fished up what's been sunk, in the mirror of oblivion

-----  
读毕于怡园螺髻亭，近旁是一树玉兰，傍晚鸟声密集起来，这倒真成了"花影不离身左右，鸟声只在耳东西"，哈哈。
