A must-have for any student or aspiring writer, this book reviews the fundamentals of good sentence structure: Conventions of writing style change in subtle ways with passing years--a fact that prompts the need for periodic revisions of books like this one. The authors review the fundamentals of good sentence structure and then go on to describe twenty basic sentence patterns that encompass virtually every effective way of writing sentences in English. They also draw on passages by current prominent writers, using these examples to show how varying rhythm and sentence patterns can result in elegant writing styles that keep their readers interested. Exercises with answers and explanations appear throughout the text. Overflowing with practical and useful advice, this little gem will change the way people write.

07/29/2014—08/04/2014 This is the FIFTH EDITION. I bought it on a whim, but it turned out to amaze me for the beneficial information it carried. It's pretty preliminary though.

-----  
理解了英语句子的概念后，本书提供了20种句式，可以用在写作的段落中，让句式富有变化。可贵之处还有，每种句式不是简单的罗列出来，而是配上说明，指出什么情况下适宜使用某种句式，并附有练习题。常读常新。

-----  
英文句式的写作指南，总结了20种句子的结构和例句，从了解结构、模仿，到最后创造自己的句式风格。最后还讲了标点符号的使用。 Sentences come to life as a writer plans them; in fact, very few fine sentences are spontaneous.

-----  
The book highlights 20 patterns and their variations, which followed by explanations and examples, and illustrates in a light way, emphasizing more on practical use rather than grammatical analysis. However, the layout is bad, and the examples are not simple enough. Except that, it's good, a little expensive but worth buying, reading, and rereading
