In the 6th century AD, the Near East was divided between two venerable empires: the Persian and the Roman. A hundred years on, and one had vanished forever, while the other seemed almost finished. Ruling in their place were the Arabs: an upheaval so profound that it spelt, in effect, the end of the ancient world. In *The Shadow of the Sword*, Tom Holland explores how this came about. Spanning Constantinople to the Arabian desert, and starring some of the most remarkable rulers who ever lived, he tells a story vivid with drama, horror and startling achievement.
