Millions of people--in every city, in every country, on every continent, and even from the Space Station--are vying to become mayors of their favorite shopping locations. What is foursquare and why has it become the hottest customer magnet ever conceived? Foursquare is a social, mobile networking app that empowers customers to check in at businesses and share their locations with friends through smartphones and PDAs. You'll discover the ice-cream chain that heated up sales dramatically, the nonprofit organization that raised \$50,000, and the matchmaker who owes her entire business to foursquare. You'll learn from fascinating case studies of major companies with active foursquare partnerships, including: The American Red Cross Jimmy Choo, London Chili's Grill & Bar Bravo NASA RadioShack Your customers are out there, constantly searching for places to go, games to play, and things to buy.
