In the late nineteenth century white settlers and administrators arrive to accupy the African country of Zimbabwe (Rhodesia). Nehanda, a village girl, is recognized through omens and portents as a saviour. Told in a lucid, poetic prose, this is a gripping story about the first meeting of a people and their colonizer.

评论

一个人也是很多人的故事，结尾很震惊，但又觉得情理之中。整个社会历史背景，女性还有身体都是很好的切入点
