In this second installment in The Antichrist Trilogy, Colonel Bridgewater hands over the baby he saved, who is the direct descendant of Christ, to The Order of Sion in France to be cared for. Wounded in his last battle with the Antichrist, Bridgewater, retired from the Army, lives quietly in the south of Spain when he is approached by Capitan Candil of The Guardia Civil and is blackmailed into helping Spanish Security Forces. In front of the Antichrist, Bridgewater witnesses the horrific death of his lover Helene. The Antichrist takes on a new body and a chase ensues. When events take a tragic turn, and the baby is kidnapped, Captain Candil takes over. Will he be able to destroy the Antichrist this time? Follow the gripping plot and high-stakes action to find out who will win the ultimate battle for humanity. About the Author: Hector Placido Cortes is a retired music conductor who was raised in Gibraltar, and currently resides in a small rural town in the West of England. The third and final book in his Antichrist Trilogy is now ready for publication. Other books he has written include Miura, a story about Post-Civil War Spain, and The Elizabethan, set in 16th century England. Publisher's website: <http://SBPRA.com/HectorPlacidoCortes>
