"International cuisine has long conquered our cooking and eating habits. However, regional ingredients and some that were out of fashion for a while are gaining importance again. Accordingly, the range of available domestic and international

foods is broad - enriching, but also challenging, as many fruits, herbs, seasonings, fish and meat products are unknown to the consumer.

Ingredients offers an indispensable guidance: Over 2000 culinary ingredients are in this book, each introduced with pictures and described with tips on appearance, consistency, taste and use."

## 书评

荣选为我家本周如厕读物之星。这是很高的荣誉，倒不是我家茅厕高级，电视电话空调香水俱无，平平常常一如邻家。乃是如厕读物不好挑选。一则，必须有趣。倘若无趣如黄白之物，那么未免是恶臭加无聊，双重的苦痛。二来，必须短小精悍，试想抱着大部头蹲茅房，看了一章又一章...
