Is Marx relevant any more? Why should we care what he wrote? What difference could it make to our reading of literature? Terry Eagleton, one of the foremost critics of our generation, has some answers in this wonderfully clear and readable analysis. Sharp and concise, it is, without doubt, the most important work on literary criticism that has emerged out of the tradition of Marxist philosophy and social theory since the nineteenth century.

评论

主要关注了他对《荒原》的评论那段，相对来说、这本读起来不那么费力
