This completely revised and updated second edition of "Contemporary Art and Multicultural Education" addresses the role of art within today's multicultural education. Co-published with The New Museum of Contemporary Art, this beautifully

illustrated book is a practical resources for art educators and students in need of resources for social justice-oriented lesson plans. The key features of the book include: lesson plans and curriculum thoroughly revised to reflect today's contemporary issues, such as technology, exile, and race and representation; and full color reproductions of over 50 contemporary artists correspond with lesson plans, and resources, and a bonus CD-Rom.
