Ever wonder what might happen if you rediscovered that "special someone" who captured your heart years ago? The 1,001 people who participated in Dr. Nancy Kalish's landmark study of lost love reunions did exactly that. Here for the first time are the full, fascinating results of her research, along with the intensely romantic stories of the couples, printed in the lovers' own words. Dr. Kalish's renowned lost love research has garnered international media attention. She shows why rekindled romance has captured our imaginations and reveals factors to consider when thinking about a reunion. Many of her findings will surprise you
